CS-M WEAPON OF CHOICE M4 DM

INTRODUCTION

The CS-M Weapon of Choice M4 professional-grade gaming surface offers a specialized heavy duty weave for high sensitivity players. Engineered for pinpoint precision, the boosted tracking response makes even the smallest mouse movements count. The aggressive non-slip 100% natural rubber base makes thorough contact with most desktop materials, ensuring that your gaming surface stays firmly in place in the heat of battle. To top things off, the iconic graphics send a decisive message to your fellow gamers that you mean business and won't give up in difficult situations.
